**Who are these certified Stop Sexual Harassment in the Workplace Training courses intended for?**

**Our Certified Sexual Misconduct awareness training courses are designed to assist a range of professionals whether they are looking to learn new skills and practices or refresh their existing knowledge and skills of the issues concerning the prevention of sexual misconduct, sexual harassment, and sexual assault within their environment.**

**Our sexual misconduct awareness training courses are suitable for anyone who works with, or may come across, sexual misconduct, sexual harassment, and sexual assault in any context. This includes, but is not limited to, people who work in the following environments: medical and social care; HR, legal and housing; the charity sector; schools, colleges, and universities; sports clubs and other statutory, private, and voluntary sector organisations.**

**The participation of a range of staff groups in the training is encouraged.**
